Still the first point of reference for all those seeking hardcore opera, Bucharest's opera house, built at the turn of the century, is in urgent need of repair. Productions are invariably excellent, and prices are cheap (tickets are priced 10,500 lei -126,000 lei). You will usually need to buy tickets in advance from the Opera box office. Performances are currently suspended for the summer touring season, with the opera scheduled to open again in October. Box office open 10:00 - 13:00, 14:00 - 19:00. Closed Mon.
